Dear Paul

Following the Parish Council meeting on Tuesday this week I am writing on behalf of BGPC to express our sincere thanks to you for serving as our Chair and Councillor for Buckton and Coxall. The Council is deeply sorry that you feel unable to continue in these roles and your commitment, hard work and courtesy will be very much missed. Members of the public at the meeting also expressed their dismay at your resignation and we share their regret. We would like to wish you and Linda all the best and are very grateful for the considerable time and effort you contributed to help improve the lives of local residents.

Kindest regards

Yours sincerely

Maureen Robinson
Clerk to BGPC
