

# Wassailing the apple trees at Herefordshire Archives

Saturday 14th January 2017, 5pm - 6.30pm

Herefordshire Archive & Records Centre,  
Fir Tree Lane, Hereford, HR2 6LA

Come and help us wake up and bless the apple trees in our young orchard in this ancient ceremony with Leominster Morris. Join our wassail singers around the fire for traditional songs.

This is a free event (donations welcome). We will be selling hot soup and apple juice. Please bring a torch and any noisy items e.g. drums, pots and pans, shakers to scare away the spirits.
