

IT'S A SCAM

Fraudsters want your money

1 A fraudster telephones you claiming to be from your bank or the police. They tell you that your bank card has been used fraudulently or the bank is issuing counterfeit notes and that your help is needed in the investigation.

2 They suggest that you hang up and ring the bank/police back to ensure the call is genuine, **Don't be fooled** - they stay on the line. They then ask you to attend your bank and withdraw your money.

The phone call

The Taxi

The cash

3 They send a taxi/courier to you to collect your money, which they claim will be examined forensically as part of the investigation. They will reassure you that your money will be returned.

JUST REMEMBER:
The police and banks would never ask you to withdraw your money and send it to them!
